

Starcastle Shire Horses

Alberta, Canada

Herd Size:

The size of the Starcastle Shire herd varies from year to year. A typical range in the last few years has been 15 to 25 purebred Shires.

Starcastle Shire herd normally contains:

Stallions:

- One senior Shire stallion
- One junior Shire stallion
- One or two Shire colt prospects

Mares:

- 6 to 10 mature Shire mares age 3 and older
- One or two Shire fillies age 2 years
- One or two yearling Shire fillies
- Two or three yearling Shire fillies

Geldings:

- Our focus is on producing foals and an ongoing quest for quality improvement.
- So, we keep few geldings.
- Most geldings are sold when they are young.
- Typically, we may have two or three geldings available for purchase
